# "Your patients deserve the expertise of the Hoveround® team."

Rehabilitation professionals recognize the expertise, innovation and dedication of the Hoveround team. They rely on Hoveround to deliver more than just a power chair. That's why our Rehab Network is staffed with RESNA-certified Rehab Technology Suppliers. Hoveround is a Joint Commission accredited organization and our manufacturing operations are ISO-9001:2000 certified for quality assurance.

From design engineering, to patient assessment, to instruction and training, and service, our focus is on providing for the needs of rehab professionals and their patients. All this makes Hoveround your best choice for rehab power wheelchairs.
